BPS

On behalf of the 41<sup>st</sup> Andhra Pradesh state dental conference the Department of prosthodontics, of Anil Neerukonda Institute of Dental Sciences, Visakhapatnam, conducted a pre-conference course(PCC) on ‘THE BIOFUNCTIONAL PROSTHETIC SYSTEM - CLINICAL STEPS IN BIO FUNCTIONAL PROSTHETICSYSTEM (BPS) DENTURES AND CAS

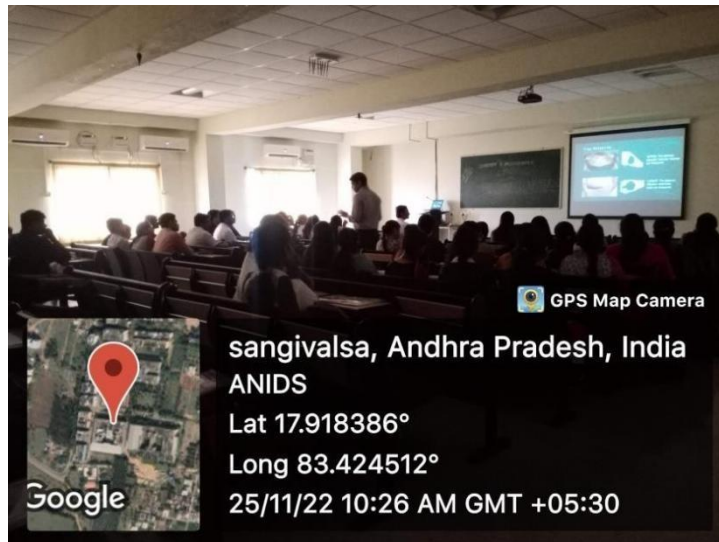

The Program started at 930 am

Dr. R. Prakash, HOD, dept of prosthodontics, supporting resource person, gave an introduction to BPS dentures

This was followed by Dr. Lingeswar MDS (prosthodontics) the guest speaker for this PCC who gave a detailed lecture on primary impression and tentative bite.

The participants had a brief 15 min tea & snacks break  
Dr. Lingeswar proceeded to the clinics for the chairside demo of the primary impression and tentative centric bite on the patient which was telecast to the lecture hall where Dr.Prakash explained the steps to the audience who had opted for the lecture option only (mainly undergraduates).

At 12:00 the representatives of the IDAGV and 41<sup>st</sup> AP State Conference arrived and recognized the speakers in the presence of the Vice Principal Dr. Anil Chirla.

Dr. Lingeswar continued with a lecture on the secondary impression and intra oral tracing procedure at the lecture hall followed by the chair side demo on secondary impression, jaw relations, tracing and bite registration. Once again Dr. Prakash explained the process being telecast to the audience at the lecture hall.

This was followed by the lunch.

Post lunch there was a session of case discussions.

Total 39 participants are registered for the lecture and 14 participants are enrolled for the both lecture and chair side demo.

From this BPS introductory module by Dr. Lingeeswar participants gained an insight and exposure towards understanding how the BPS work flow differs from conventional complete denture therapy.

Event report

Event Name: CDE LECTURE AND WORKSHOP- LAMINATE VENEERS

Guest Speaker : Dr. T. Durga Prasad

Date And Time: 21 st September; 9.30am

Venue: Neerukonda Raghavaiah Auditorium NRIIMS

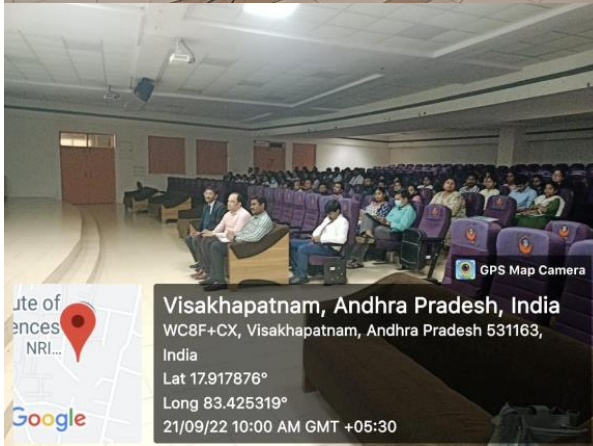

The CDE lecture and workshop on laminate veneers aimed at bringing the participants up to date on various aspects of laminate veneers including case selection and the most appropriate type of treatment as per the case with a distinction between the conventional and minimal preparation variants.

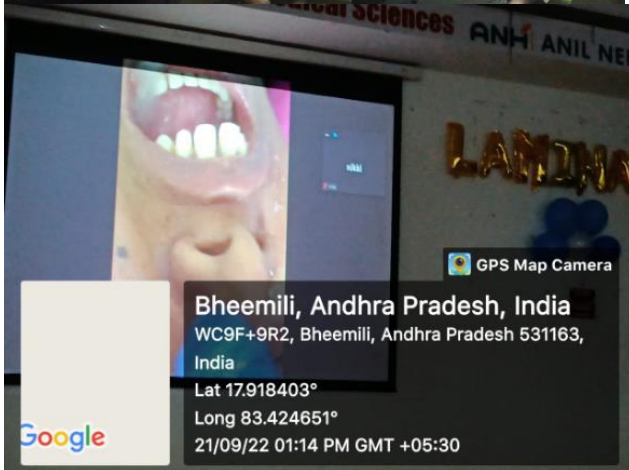

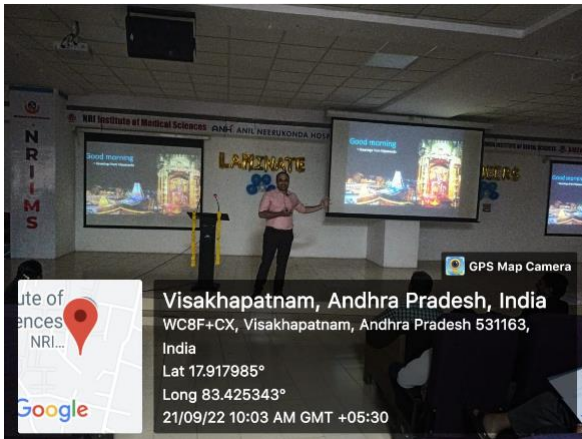

The program started with a prayer song and inaugural session followed by the main program with a lecture by the guest speaker of the day Dr. T. Durga Prasad on the topic "laminates and veneers- tips and tricks" giving a brief idea on the diagnosis and treatment planning, case selection and laminate./veneer variants including completed case reports & a videographic demonstration of the techniques.

Soon after the lecture the guest speaker was felicitated by the Vice Principal, Dr. Anil Chirla, as a gesture of appreciation. In continuation of the program, a live clinical demonstration of laminate preparation of a central incisor was performed by Dr. T. Durga Prasad on a patient and was followed by a demonstration of temporarization. The live demo was telecast from the department via Zoom to the audience seated in the auditorium.

The afternoon session consisted of a hand-on module involving all the participants. All the participants have prepared laminate and veneer preparations on typhodont model teeth 11 and 21.

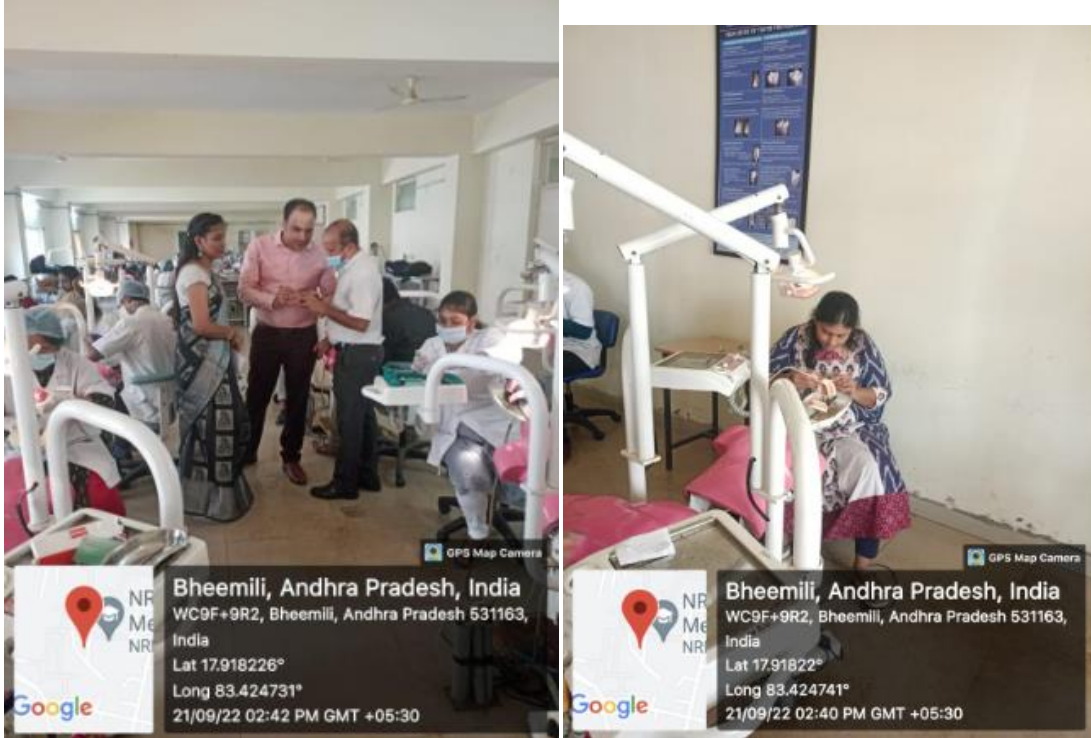

A total of 90 participants for the lecture and 35 participants for the workshop participated. Feedback forms were collected from all the participants

### TESTIMONIAL-1:

Patient : Patient is satisfied with the prosthesis which permits him to swallow his food normally.

Treatment done by- Dr.Sai Krishna (PG-IIIyr)

Guidance of :

Dr R Prakash (HOD,Professor)

Dr.Uday Kiran Tej D (Assistant Professor)

#### TESTIMONIAL-2:

Patient : Patient is satisfied with the dentures and happy with his improved speech and mastication.

Treatment done by- Dr.Nikitha(PG-IIIyr)

Guidance of :

Dr R Prakash (HOD,Professor)

Dr.Uday Kiran Tej D (Assistant Professor)
