

DEPARTMENT OF PEDODONTICS

Anil Neerukonda Institute of Dental Sciences
List of Major Clinical Cases for the Month of June 2026
Department of Paediatric and preventive dentistry,ANIDS

S.NO	OP NO	DIAGNOSIS	TREATMENT PLAN	TREATMENT PROCEDURE	CURRENT STATUS
1	26065410	Chronic irreversible pulpitis irt 82,83,53,73,75,54,52,51,55,63,65	Extraction done irt 84 pulpectomy done irt 73,75 stainless steel crown cementation irt 75 exyraction irt 54,52,51 pulp therapy irt 55,63,65 crown adaptation done irt 55,65	FULL MOUTH REHABILITATION	In progress
2	25104280	Class 3 malocclusion	MYOFUNCTIONAL APPLIANCE - INTERCEPTIVE ORTHODONTICS	Fan shaped appliance with protraction face mask	In progress
3	26065274	Chronic irreversible pulpitis irt 21(crown fracture)	Root canal treatment irt 21	Root canal treatment irt 21 post and core	Completed
4	26064945	Chronic irreversible pulpitis irt 36	Root canal treatment irt 36	Root canal treatment irt 36 under NITROUS OXIDE SEDATION	Completed
5	26066663	Chronic irreversible pulpitis irt 37	Extraction irt 61,leukodystrophy	Wound is debrided with betadine	follow up after 2 weeks
6	26064263	Chronic irreversible pulpitis irt 38	Surgical excision of mucocoele	Surgical excision of mucocoele under NITROUS OXIDE SEDATION	Completed
7	24066668	Chronic irreversible pulpitis irt 39	2*4 appliance	2*4 appliance wire change	in progress
8	26032403	Chronic irreversible pulpitis irt 40	Pulpectomy done irt 85	Pulpectomy followed by bioflex crown cementation done irt 85 under NITROUS OXIDE SEDATION	Completed
9	26068009	Chronic irreversible pulpitis irt 41	MTA pulpotomy done irt 16	MTA pulpotomy done irt 16 and post endo restoration is done	Completed
10	24127081	Chronic irreversible pulpitis irt 42	Surgical exposure irt 21	Surgical exposure irt 21	Completed
11	26046421	Chronic irreversible pulpitis irt 43	RPD IRT 11,21	RPD insertion done	follow up after 1 week

12	26062641	Chronic irreversible pulpitis irt 44	Full mouth rehabilitation	FULL MOUTH REHABILITATION	Completed
13	26060964	Chronic irreversible pulpitis irt 45	Pulpotomy is done under nitrous oxide sedation irt 26	BMP is done LSTR is placed irt 26	in progress
14	26013851	Chronic irreversible pulpitis irt 46	Pulpotomy irt 84	Pulpotomy is done under NITROUS OXIDE SEDATION irt 84	Completed
15	26065082	Chronic irreversible pulpitis irt 47	Pulpotomy irt 74	Pulpotomy is done under NITROUS OXIDE SEDATION irt 74	Completed
16	26068009	Chronic irreversible pulpitis irt 48	Root canal treatment irt 26	Single visit root canal treatment access opening, BMP, obturation and post endo done irt 26	Completed
